

The Red Carpet® Service Program

EXPERT INSTRUMENT REPAIR

All surgical instruments eventually require maintenance and repair, and no one is better suited to recondition your instruments than Storz® Ophthalmics. The Red Carpet® Service* Program is designed to return your instruments to "like new" condition, ensuring long-lasting service at a fraction of the cost of replacement.

Contact our instrument repair department at
800.658.4751
to schedule your next repair.

OUR SKILLED INSTRUMENT CRAFTSMEN WILL:

- Straighten, adjust and reform teeth of forceps
- Straighten blades, replace screws and adjust spring tension of scissors
- Clean and passivate instruments to resurface and protect against corrosion
- Laser-etch codes and markings for easy identification
- Repairs are performed with original manufacturer parts when necessary
- Straighten, sharpen or adjust hooks, elevators and manipulators

MONEY SAVING BENEFITS:

- Priority turnaround time: five business days or it's FREE
- Complimentary shipping containers and return shipping
- Discounted repairs: 20% savings off published list price on all repairs
- Discounted replacements: If your instrument can not be repaired, you can purchase a replacement for 25% off the published list price.
